

Google Classroom Information Guide

Covenant Christian School Learning Management System

Features The Following:

- View Student Assignments
- Submit Assignments
- View Classroom Events and Announcements
- Teachers and students can send emails, post to the stream, send private comments on assignments, and teacher can provide feedback on student work
- Support off-campus learning in the event a student or class needs to transition to a remote setting for virtual learning

Login Information:

Every CCS student will be assigned a Covenant school email address (.....@ccs-pc.net)

Access and links to each google classroom assigned to a student will be sent through the student's school email account.

For assistance with school email login and password, please contact:

Shenaye Robinson-Newberry or call the Front Office at 850-769-9354.

Google Classroom App

Google Classroom provides an app for mobile devices and tablets. Google Classroom can also be accessed through a desktop or laptop computer.

Google Classroom is easy to use and accessible on all devices.
